

How to use the APCH Speaker and Microphone

Pull up the handle

Extend the antenna

Plug in the power point to the wall and then plug in the speaker

Press the on off button

Turn on the microphone and you are ready to go.

The volume button for the speaker is the 5th red button down marked with a yellow arrow.

Packing list

Microphone, Power adaptor and extension cord, Speaker.

Please return everything as you would like to find it.

Thankyou

APCH Committee
